

Name	Description	Contact details
AIA (Academic Information Agency)	<p>The Academic Information Agency (AIA) provides information about offers of international scholarships awarded on the basis of international bilateral agreements.</p> <p>Applicants from public universities can use three types of mobility: study stays (for students), summer language courses and research or lecture stays (for university teachers). Study stays can last up to one academic year, exceptionally for the duration of the entire study.</p>	<p>E-mail: aia@dzs.cz</p> <p>Internet: www.dzs.cz</p> <p>https://www.dzs.cz/en/program/academic-information-agency</p>
AKTION Czech Republic - Austria	<p>The Czech-Austrian scheme promotes bilateral cooperation in science and education between the Czech Republic and Austria in the tertiary sector. It supports both individual and institutional activities.</p> <p>The aim of the programme is to develop education and research at universities, and to promote cooperation and understanding between the Czech Republic and Austria through scholarships for university students, research stays for academic staff, and participation in summer schools.</p>	<p>E-mail: aktion@dzs.cz</p> <p>Internet: www.dzs.cz</p> <p>https://www.dzs.cz/en/program/aktion-austria-czech-republic</p>
Alexander S. Onassis Public Benefit Foundation	<p>Every year, Alexander S. Onassis Foundation announces scholarship programmes for international applicants in which it awards research grants and educational scholarships which are further divided according to target groups.</p>	<p>E-mail: https://www.onassis.org/contact</p> <p>Internet: https://www.onassis.org/foundation/public-benefit-foundation</p>

CANON FOUNDATION FELLOWSHIP	The Canon Foundation in Europe awards up to 15 scholarships to highly qualified European and Japanese researchers each year. Canon Foundation scholarships are for a minimum of three months to one year.	E-mail: foundation@canon-europe.com Internet: http://www.canonfoundation.org
COST (The European Cooperation in the Field of Scientific and Technical Research)	COST is a programme of multilateral European cooperation in research and development. The projects are mainly focused on research and partially applied research, usually lasting 5 years.	E-mail: bedrich.pekarek@msmt.cz Internet: http://cost.cordis.lu/ http://www.msmt.cz
DAAD (Deutscher Akademischer Austausch Dienst)	Provides information on study and research in Germany, on DAAD scholarships and other organizations.	E-mail: info@daad.cz Internet: https://www.daad.cz/en/
EMBC (European Conference for Molecular Biology)	EMBC programmes and activities are funded by the European Conference on Molecular Biology (EMBC). Founded in 1969, the EMBC is an intergovernmental organization with 30 member states. EMBO and EMBC also work with countries and organizations outside Europe to promote interactions with scientific communities elsewhere.	E-mail: yip@embo.org Internet: https://www.embo.org/

Erasmus+	Erasmus+ is the most widespread scholarship programme in Europe with a worldwide reach. It offers study stays, trainings or a combination of a study stay and training. At USB, the programme is managed centrally by the International Relations Office of the USB Rectorate. Applications are submitted by employees at the International Relations Office of the relevant faculty.	USB contact: https://www.jcu.cz/international/admissions/contacts Internet: https://www.jcu.cz/mezinarodni-spoluprace/zahranicni-pobyty/erasmus-plus House of International Cooperation contact: info@dzs.cz Internet: https://www.dzs.cz/en/program/erasmus https://www.naerasmusplus.cz
European Science Foundation	Support for European scientific cooperation - scholarships for research stays and travel grants.	E-mail: https://www.esf.org/contact/ Internet: https://www.esf.org/
Fritz Thyssen Stiftung	The Fritz Thyssen Foundation's postdoctoral fellowships support individual highly qualified young researchers in temporary research projects. The aim of these scholarships is, for example, to engage in a new field of research or to write a scientific publication. The maximum length is one year.	E-mail: fts@fritz-thyssen-stiftung.de Internet: http://www.fritz-thyssen-stiftung.de/

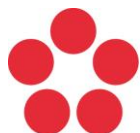

Fulbright Commission	<p>The Fulbright Commission is a Czech American governmental organization founded with the mission to enhance educational, scientific and cultural exchanges through scholarship programmes and advising and information services.</p> <p>The main work of the Fulbright Commission consists of administering fellowships and grants for study, research, and teaching in the U.S. for Czech citizens and in the Czech Republic for U.S. citizens. Programme administration includes activities concerning both the selection process and assistance during stay in the USA or the Czech Republic.</p>	<p>E-mail: fulbright@fulbright.cz</p> <p>Internet: https://www.fulbright.cz/en/who-we-are/about-the-commission/</p>
The Czech Science Foundation (GACR)	<p>Within its calls for proposals, the foundation finances research projects for both experienced researchers and teams as well as young and early-stage researchers. GACR's activity is regulated by Act. No. 130/2002 Coll., on Support of Research, Experimental Development and Innovation from public funds and amending certain related laws. GACR independently manages targeted and institutional resources allocated directly from the state budget.</p>	<p>E-mail: marie.pacakova@gacr.cz</p> <p>Internet: https://gacr.cz/en/</p>
GWI Graduate Women International	<p>The IFUW (International Federation of University Women) programme has been changed to GWI (Graduate Women International).</p> <p>We have national affiliates in 60 countries and individual members in more than 40 others. Join our international advocacy and grant programmes and learn how you can become part of an international network of women working for change.</p>	<p>E-mail: info@ifuw.org</p> <p>Internet: https://graduatewomen.org/</p>

<p>Humboldt Research Fellowship</p>	<p>Designed for researchers of all nationalities and research areas: We support you - postdoctoral and experienced researchers - with your research in Germany.</p>	<p>E-mail: https://service.humboldt-foundation.de/pls/web/pub_register.main?p_package=hfst&p_lang=en</p> <p>Internet: http://www.avh.de</p> <p>https://www.humboldt-foundation.de/en/apply/sponsorship-programmes/humboldt-research-fellowship</p>
-------------------------------------	---	--

<p>S-STIS (Institute for Advanced Studies on Science, Technology and Society)</p>	<p>Each year, the IAS-STIS hosts around a dozen international researchers for up to nine months. During this period, researchers explore the issues outlined in our fellowship programme, the focus of which changes every year.</p> <p>Within the framework of this fellowship programme, the IAS-STIS promotes the interdisciplinary investigation of the links and interaction between science, technology and society, as well as research on the development and implementation of socially sound and environmentally sustainable technologies.</p>	<p>E-mail: office.sts@tugraz.at</p> <p>Internet: https://www.tugraz.at/arbeitsgruppen/sts/ias-sts/ www.sts.tugraz.at</p>
<p>Institute for Human Sciences</p>	<p>IWM offers space for research and scientific debate. Scholarship programmes are an essential part of the institute's work. Each year, approximately 100 guest associates, junior guest associates, and guests from around the world receive scholarships to pursue their projects as members of the IWM's international and multidisciplinary scholarly community.</p>	<p>E-mail: iwm@iwm.at</p> <p>Internet: https://www.iwm.at/fellowship-programs/</p>
<p>INTERNATIONAL FELLOWSHIPS</p>	<p>The American Association of University Women (AAUW) provides annual scholarships for graduate and postgraduate studies of women and grants for female researchers to improve the position of women in society.</p>	<p>E-mail: aauw@applyists.com</p> <p>Internet: http://www.aauw.org</p>

International Visegrad Fund	Mobility, be it for study, research or a stay of an artist, is central to our goal of fostering creativity and understanding between people. We are looking for individuals pursuing innovative ideas in science and education, as well as artists and groups of artists who want to engage in a conversation about contemporary art in the Visegrad region.	E-mail: visegradfund@visegradfund.org Internet: https://www.visegradfund.org/
Japan Society for the Promotion of Science	The Society encourages highly qualified researchers from all over the world to engage in international scientific collaboration. They conduct joint research activities with colleagues at Japanese universities and research institutes. JSPS offers five postdoctoral fellowship programmes, each with different eligibility requirements.	E-mail: postdoc-standard@jsps.go.jp postdoc-short@jsps.go.jp postdoc-pathway@jsps.go.jp Internet: https://www.jsps.go.jp/english/e-fellow/
Klassik Stiftung Weimar	The Klassik Stiftung Weimar supports various scholarship formats with researchers whose research projects focus on European cultural history from the early modern period to the present and who want to work with the collections of the Klassik Stiftung Weimar.	E-mail: info@klassik-stiftung.de Internet: https://www.klassik-stiftung.de/en/research/
Marie Curie Fellowships	The aim of the programme is to support the development of human resources, mobility and professional growth of researchers in all scientific disciplines.	E-mail: tc@tc.cz Internet: https://www.tc.cz/en
Matsumae International Foundation	Eligibility requirements: Applicant of non-Japanese nationality, employed in your home country, with a doctorate, aged 49 or younger, no previous / current experience of living in Japan, etc. Duration 3 to 6 months.	E-mail: http://www.mif-japan.org/contact/?hl=en Internet: http://www.mif-japan.org/?hl=en

Mellon Foundation	<p>The foundation cooperates with colleges, universities, and other organizations that embrace equity in higher learning.</p> <p>Alongside investment at the undergraduate and graduate levels in the work and health of core humanities fields, we offer robust support for paradigm-shifting interdisciplinary studies that are necessary to the evolution of those traditional disciplines.</p>	<p>E-mail: inquiries@mellon.org</p> <p>Internet: https://mellon.org/</p>
