EEA Grants 2014–2021: Programme Education	EEA funds support international projects in the field of education and strengthening bilateral relations with Iceland, Liechtenstein and Norway. The programme Education supports projects of schools and other educational institutions focused on modernisation and innovation of teaching and learning. The involved schools can also exchange their pupils, students and staff in the form of study visits or teaching stays.	E-mail: eeagrants@dzs.cz Internet: www.dzs.cz https://www.dzs.cz/program/fondy-ehp
Fulbright Commission	The Fulbright Commission is a Czech American governmental organization founded with the mission to enhance educational, scientific and cultural exchanges through scholarship programs and advising and information services. The main work of the Fulbright Commission consists of administering fellowships and grants for study, research, and teaching in the U.S. for Czech citizens and in the Czech Republic for U.S. citizens. Programme administration includes activities concerning both the selection process and assistance during stay in the USA or the Czech Republic.	E-mail: fulbright@fulbright.cz Internet: https://www.fulbright.cz/en/who-we-are/about-the-commission/
THE HAYEK FUND FOR SCHOLARS	The Hayek Fund for Scholars supports students and faculty who are researching and teaching ideas within the classical liberal tradition inside the bounds of the social sciences and humanities by funding a wide range of research and career-advancing activities. All scholars presently engaged in research or teaching within the social sciences or humanities at an accredited college or university can apply for funding.	E-mail: Questions@TheIHS.org Internet: https://theihs.org/funding/hayekfund/

IMOTION (Erasmus staff training)	The portal centralises information about training activities for university administrative and technical staff organised in Europe. It aims to support Higher Education Institutions in the promotion of their staff training events and to help university administrative staff to find the appropriate training or job shadowing they are looking for.	Internet: http://staffmobility.eu/
OECD (Organization for Economic Co-operation and Development)	The Organization for Economic Co-operation and Development (OECD) is an international, governmental organization. In addition to supporting cooperation, it annually opens grant competitions in various thematic areas which change according to the needs of the organization and current world events.	E-mail: oecd.paris@embassy.mzv.cz Internet: Stálá mise České republiky při OECD v Paříži (mzv.cz) OECD.org - OECD
Open Society Institute	Every year, the Open Society Foundations give thousands of grants to groups and individuals who promote the values of open society through a unique network that is guided by local voices and global expertise. The education support programme promotes the right to education through grants and advocacy. The Higher Education Promotion Programme seeks to promote the values of an open society by supporting universities which educate toward critical minds, defend pluralism and promote active citizenship.	E-mail: media@opensocietyfoundations.org Internet: https://www.opensocietyfoundations.org/

Operation Programmes of Ministry of Education, Youth and Sport	<p>Support of international mobility projects for research, technical and administrative staff. Focus is on strengthening international cooperation and the development of human resources in research. The main goal is to support professional growth of researchers, technical and administrative staff and to help develop research organizations by strengthening their human resources.</p> <p>Development of human resources in research is assisted by supporting quality projects approved at European level by Horizon 2020, Marie Skłodowska-Curie Actions, listed on the "no-money" list. The main goal is to support the professional growth of researchers, support of quality research, education for practice, development of communication and cooperation. Only European Fellowships projects are supported.</p>	Internet: https://opvvv.msmt.cz/ https://opvvv.msmt.cz/clanek/op-jak-zamereni-a-navrh-struktury-op-jak.htm
